

Name: \_\_\_\_\_

Homeroom Teacher: \_\_\_\_\_

**Directions:** Look around your house. Find as many real world examples of the shapes below. Make a tally mark for each shape you find in your house, then write the total. Draw & label TWO examples of each shape in the chart. Don't forget to sign the "sign-in form" and complete the survey on our school website. Return this page to school for a prize by Friday, April 30<sup>th</sup>!

Shapes	Tally	Total	TWO Examples
circle 			
triangle 			
square 			
rectangle 			
pentagon 			
hexagon 			
octagon
